

POLYTECHNIC OF NAMIBIA

LEADERSHIP | TECHNOLOGY | ENTREPRENEURSHIP | INNOVATION

VACANCIES

The Polytechnic of Namibia strives to have the maximum possible interaction with the local industry and stakeholders related to each of the diverse qualifications being offered. In this manner, it is intended to further enhance the quality of the academic programmes and improve service delivery in terms of teaching and learning, research & service. With this aim in mind, applications are invited from suitably qualified professionals to offer their services as part-time lecturers, external moderators or resource persons.
